

Marie and Warren Hokke

Dear friends,  
Happy New Year. Marie and I hope you have had a time of rest and relaxation over the Christmas season and have had a chance to catch up with yourselves, your family and friends. We spent Christmas at Kairakau Beach in Central Hawkes Bay celebrating my mother's 80th birthday. It was a good family time!

We pray that 2010 will be a year of positive change for you! It has already been a year of change for us as we have changed job and changed house for me to take up the Director's role at Cleansing Stream Ministries. Duane has finished up after a great contribution over 10 years. We have re-located the office from north of the Auckland harbour bridge, to the east of Auckland at Bucklands Beach. So please take note of the new contact details below. The call I have is to continue the good work of Cleansing Stream in bringing people to a freedom for their journey. My motivation is to see people set free from any bondages and attachments that have held them back from achieving the purposes that God has for them. Whether it is a "freedom from" or a "freedom to" I love seeing that smile that comes to people's faces when they realise for the first time that something just shifted!

Thanks Duane!

Duane has been at the forefront of the Cleansing Stream ministry since it was launched here in 1999. He and Jenny have made a huge contribution to the ministry in many ways. I praise God for what has been established through their faithful work. They have now followed a call of God to establish a new ministry among the poor in the Philippines. Operating under the name Hands of Hope Ministries, Duane, Jenny and Joseph invite you to visit their website [www.handsofhope.org.nz](http://www.handsofhope.org.nz) to see what they plan to do.

#### How Can You Help?

Please pray for Duane, Jenny and Joseph as they settle in to a new climate and culture and for Cleansing Stream Ministries as I get established in the role and for the 2010 retreats - that we will get good numbers of participants, that the venue planning will go well and that freedom will prevail!

**A word from the Word.** I still read two chapters of the Bible each day as I was encouraged to when I first attended Cleansing Stream. I continue to be amazed at how two random chapters so often speak into each other. In Numbers 20:8 God says to Moses "Speak to the rock before their eyes, and it will yield its water". In Matthew 8:16 it says "Jesus cast out the spirits with a word". Those two sentences challenge me - the spoken word of God has a powerful effect. Just imagine if that became the efficiency and effectiveness of our ministry, how that would transform lives and bring freedom to many. We have the authority to make declarations into people's lives and to lead them in making their own Godly declarations.

I look forward to meeting you over this year. I appreciate your contribution to the Ministry. Freedom for your journey!

Warren Hokke  
Director
